

I write to inform you that we are are going GREEN - 28 February 2018.
As you aware we have been sending your statements to you via email as well as having them printed and in some cases we have posted them to you.

I have been informed that we have completed updating your account with an email address.

As of this month we will not be printing out your statement as it will be emailed to you in Excel Format and as a PDF.

The following statements & reports will be emailed.

- * The printed statements for Fleet Operators will cease.
- * The printed statements for Managed Plate Lessors will cease.
- * The printed weekly EFTPOS printout will cease.

If you do not recieve your email please call our friendly staff on 8202 1200 and ask them to update your details.
