### IMPORTANT MESSAGE RE ADELAIDE AIRPORT ENTRY T-TAGS

#### **PLEASE RETURN UN-USED T-TAGS**

We have been advised that progressively during 2018, Adelaide Airport will be introducing a new pre-booked and layoff/rank entry protocol. As part of this change, T-Tags will be replaced with a card entry.

Any new T-Tag purchases made by the Taxi Council or by new drivers, will not have a useful write-off period and for that reason the Taxi Council will not be making any further purchases.

Current T-Tag stocks are low and are not expected to last past a few weeks. Since the introduction, there have been more than 5,500 T-Tags issued and we have identified that many are not being used nor have they been used for some months.

**Would you please return unwanted T-Tags to the Taxi Council so that they can be re-issued to new drivers. If returned in good working order, we will purchase them back for re-distribution.**

The Taxi Council will also arrange for a refund of any money held on the T-Tag account.

More information regarding the card entry system will be available closer to the time but in the interim we would appreciate your assistance with managing the limited stock available.

Thank you.
