## EAST TERRACE – FRINGE TAXI RANK

The City of Adelaide, SA Police and DPTI Compliance have expressed concerns about the number of taxis queuing outside of the taxi rank located on East Terrace. Taxis are queuing back past the intersection and obstructing a traffic lane on Botanic Road.

By double-ranking or queuing back to Botanic Road you are causing significant congestion and apart from being illegal it is bringing the taxi industry into disrepute.

If the taxi rank is full you must move on, there are many other locations in the City where Fringe Functions are happening and where people are looking for taxis.

Please DO NOT rank outside of the official rank as the City Council, DPTI and SA Police have increased their compliance activity and you will be given a traffic infringement.

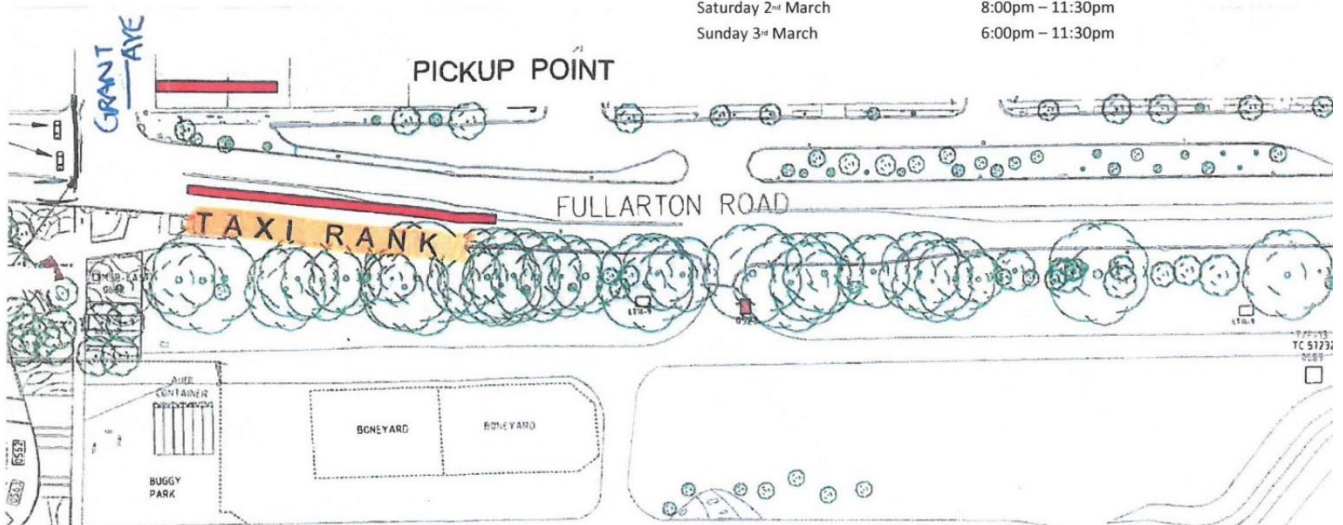

## TAXI RANK ON FULLARTON ROAD

A temporary taxi rank as been provided for after the Superloop 500 Concerts which start tonight. This is the closest rank to the exit from the Concerts and there will be large numbers of people using this exit.

This is strictly for taxis only, rideshare drivers must remember that they are not a taxi and not licensed to use a taxi rank; they will be reported.

### FULLARTON ROAD CLOSED AT GRANT AVENUE DURING CONCERTS AT SUPERLOOP

Date	Fullarton Road Closure Times
Friday 1 <sup>st</sup> March	8:30pm – 11:30pm
Saturday 2 <sup>nd</sup> March	8:00pm – 11:30pm
