

CABCHARGE

The chase is on!
***You have until the 17th September 2021
to be judged this year's Taxi Driver of the
Year!***

Nominations are now open and we are looking for
South Australia's best taxi driver.

We know you are out there quietly doing a great job for your customer and we would like to know about you.

Whether you're an access driver, or a general taxi driver either metro or country, who just loves his or her job and loves providing that extra care, you are all in the running to become this year's Taxi Driver of the Year.

As a reward for going that extra mile, Cabcharge will be offering **\$1,000** for this year's Taxi Driver of the Year as well as minor prizes for second and third runners-up.

If you are the old school taxi driver that customers love, or a brand new taxi driver who loves his or her job and is determined to be the best, ask your customers to vote for you on-line at –

Customers can also nominate you by writing to the
